

My Notes 9/3/14

Beginning:

– (NOWM) Nice Old White Man

– Participate in class. This allows us to see the knowledge. Don't be arrogant in order to make the world a better place. Get up and learn. How you learn is an important body of knowledge.

– Matt renames the class. He gets fifteen out of sixteen right. He took notes of everyone's name. His notes were descriptive and detailed. Matt learns by visual characteristics.

Middle:

– How often do you act when your suppose too? Probably unlikely – I need to improve this. Do not think of writing as an essay. I will lose 90% of writing.

-FLC needs scholars who have genre.
